Churches and Praying People,

It is good to write you near the close of our Mission Conference stretch. The Lord has been giving us great opportunities to share His burden for Georgia and great meetings in churches. Just ahead we still have a pretty full November with two mission conferences and several meetings. God has even given us scheduled churches to be at on both the Sundays before and after Thanksgiving which is a rare blessing.

God even brought us into a Round Robin Mission Conference in Texas. This was our first meeting of this sort where several local churches got together for their four day Conferences. We were privileged to be in four different churches. Please pray for the rest of our 2016 meetings, some additional supporting churches, and most especially for our need written of below. Thank YOU!

### *Excited in God's Goodness!*

*As His people, we always have much to thank the Lord Jesus for.*

*We will heartily highlight His deputation/travel mercies. God has kept us safe on year of meetings. Even a few weeks ago, He kept us from an accident. We skidded on the interstate when I braked over what I think was on oil spot. Thankfully, we went on the gravel shoulder instead of into anything. PRAISE HIM!!!*

### Happy Thanksgiving in Christ!!!

Our prayer for you this November is that not only may you recognize the substance blessings of God's goodness, but that you may know or more fully know the blessing of loving Christ. Our greatest treasure as believers is "Christ in you, the hope of glory". May we be thankful for knowing the Person of Christ.

### **Our Greatest Need Right Now**

In our last prayer letter we wrote of the paperwork process to complete before moving the Georgia. Before leaving we need everything for our new son, Zachary. First he needs a birth certificate, then a passport, and finally a visa. This process has to be done sequentially, not simultaneously. We are stuck right now on the birth certificate. The Tennessee vital records office misspelled Zachary's and Barbara's names. It is turning out to be a whale of time to fix. At the present we are waiting on the Nashville office to respond to our notarized affidavit which they requested. In order to move early in 2017 we need the new paperwork quickly.
